

MHS PRICING

(as of 6/1/17)

See our website for explaining our turn-around times	Standard	Priority	RUSH
--	----------	----------	------

Histo Techniques:

Decalcification	\$6.50
Multiple tissues in cassette or large specimen surcharge (per our discretion)	\$2.50
Processing and embedding Mega-cassette surcharge	\$1.50

Paraffin process ONLY

Prepared from tissue submitted in a cassette	\$6.00	\$8.40	\$10.80
Prepared from trimmed tissue (we supply the cassette)	\$7.50	\$10.50	\$13.50
Prepared from un-trimmed tissue (we dissect and supply the cassette)	\$9.50	\$13.30	\$17.10
Process and embed cell suspension (double embed in agarose)	\$15.00	\$21.00	\$27.00

Paraffin process with one (1) H&E-stained slide

Prepared from tissue submitted in a cassette	\$6.95	\$9.73	\$12.51
Prepared from trimmed tissue (we supply the cassette)	\$8.45	\$11.83	\$15.21
Prepared from un-trimmed tissue (we dissect and supply the cassette)	\$10.45	\$14.63	\$18.81
Prepared from un-trimmed tissue with gross written description	\$12.00	\$16.80	\$21.60

Other paraffin options

H&E-stained slide prepared from submitted paraffin block	\$6.00	\$8.40	\$10.80
Additional H&E-stained slide from faced block (levels)	\$5.00	\$7.00	\$9.00
Un-stained slide from un-faced paraffin block	\$4.00	\$5.60	\$7.20
Additional un-stained slide from faced block	\$2.50	\$3.50	\$4.50
H&E-staining of an un-stained slide	\$2.25	\$3.15	\$4.05

Frozen sections

Prepare, set-up and "face" into OCT block	\$9.50	\$13.30	\$17.10
Un-stained slide (1 section per slide)	\$3.50	\$4.90	\$6.30
Additional un-stained section, same level placed on same slide	\$1.50	\$2.10	\$2.70
Fixation of slide (acetone or 10% formalin) (per slide)	\$1.50	\$2.10	\$2.70
H&E-staining of an un-stained slide	\$2.25	\$3.15	\$4.05

Special stains and Immunohistochemistry

Non-silver dye stains (Fe, trichrome, elastic, mast cell, PAS, congo red, etc.) <u>A positive control slide is included with each request.</u>	1 or 2 slides: \$25.00 ea	1 or 2 slides: \$35.00 ea	1 or 2 slides: \$45.00 ea
	More than 2 slides : \$10.00 ea	More than 2 slides: \$14.00 ea	More than 2 slides: \$18.00 ea
Silver stains (GMS, reticulin, Bielschowsky, etc.) <u>A positive control slide is included with each request.</u>	1 or 2 slides: \$35.00 ea	1 or 2 slides: \$49.00 ea	1 or 2 slides: \$63.00 ea
	More than 2 slides: \$18.00 ea	More than 2 slides: \$25.20 ea	More than 2 slides: \$32.40 ea
Immunohistochemistry (primary antibody provided by investigator).	1 or 2 slides: \$50.00 ea	1 or 2 slides: \$70.00 ea	1 or 2 slides: \$90.00 ea
	More than 2 slides: \$28.00 ea	More than 2 slides: \$39.20 ea	More than 2 slides: \$50.40 ea
Immunohistochemistry (we supply the primary antibody if we have it). NOTE: Please inquire as to which antibodies we have on hand.	1 or 2 slides: \$65.00 ea	1 or 2 slides: \$91.00 ea	1 or 2 slides: \$117 ea
	More than 2 slides: \$45.00 ea	More than 2 slides: \$63.00 ea	More than 2 slides: \$81.00 ea
IHC Discovery Services (new antibody work-up)	\$450.00	\$630.00	\$810.00

Digital Photography

	Standard	Priority	RUSH
Macro or Micro	\$12.00	\$16.80	\$21.60
Annotated photographs	\$50.00	\$70.00	\$90.00
Whole slide scan, 40X	\$15.00	\$21.00	\$27.00
Whole slide scan, 20X	\$12.00	\$16.80	\$21.60

Necropsies

Small animals delivered fixed to our facilities: This is for trimming and gross notes only. No histology or pathology report.	\$2.50 per tissue
On site necropsy service (within our service area) We are fully insured.	\$95.00 / hr

Histopathology Reports

Performed by a board-certified veterinary pathologist

Cost of making slide is not included in these prices

Prices are **PER SECTION** (not per slide)

Diagnostic pathology report, first site	\$45.00
Diagnostic pathology report, additional site(s), same animal	\$30.00
Cytology (smears)	\$40.00
Descriptive pathology report, per section	\$40.00
Toxicology pathology report, per section	\$16.00
Semi-quantitative pathology report, first parameter	\$16.00
Semi-quantitative path report, additional parameters, same section	\$12.00

Comprehensive Pathology Reports

Written and signed by a licensed veterinary pathologist. This report includes descriptive paragraphs about the gross and microscopic aspects of each specimen with tables, charts, graphs, annotated photographs, data analysis, comments, findings, summarizations and conclusions.

Based on client's choices	inquire
---------------------------	---------

Miscellaneous prices

2-slide storage / shipping cardboard folder	\$2.00
25-slide storage / shipping box	\$8.00
100-slide storage / shipping box	\$12.00
Dry ice	\$25.00
Postage to return slides and paraffin blocks	Per ounce
GLP studies	Add 25%

NOTES:
There is a \$100.00 minimum order limit
There is a 3% surcharge on all payments by credit card
Turn-around time and pricing is for the <u>technical work only</u> . Turn-around time on reports is based on the pathologist's availability, workload and complexity of report.
Formal quotes can be prepared free of charge.
Sample reports are available.
